

SBE19 Malta

INTERNATIONAL CONFERENCE

Sustainability and Resilience

21-22 NOVEMBER 2019

The International event is part of the 2019 International Sustainable Built Environment conference series convened under the auspices of the five international organizations: iiSBE, CIB, UNEP-SBCI, FIDIC and GABC. SBE19 is the second conference in the International SBE Series to be held in Malta following the success of the SBE16 Malta Conference. The local organizer is SBE Malta, the iiSBE Malta Chapter, collaborating with various entities in Malta including the University of Malta, the Building Industry Consultative Council (BICC) of the Government of Malta and the Ministry for the Environment, Sustainable Development and Climate Change, Malta, and the Malta College of Arts, Science and Technology.
